UMM PROFILE

UMM PROFILE

University of Muhammadiyah Malang (UMM) is a place for learning, research, and community service that consistently spreads positive energy to a broad audience. Since 1964, UMM has continued to contribute to and serve the Nation. In every generation, UMM becomes a dream lighter, raises aspirations, and gives birth to future leaders. Along with the spirit of Independent Learning, UMM students were given the freedom to develop themselves in academic and non-academic realms according to their interests.

As an Independent Campus, UMM also provides provisions by combining classroom learning with real applications during the study period. Providing comprehensive academic experience, UMM has supported laboratories in various fields, from agriculture, business, health, and hospitality. Among them are 42 laboratories that are partially accredited to ISO 9001 and 1702 by the National Accreditation Committee.
